

WiseSkills® &... After-School Programs

WiseSkills is a unique after-school program that:

- ☑ Engages young people in exciting activities that develop positive character!
- ☑ Provides program staff with ready-to-go group activities!
- ☑ Unites programs with convenient monthly *Character Themes*!
- ☑ Involves families in teaching character at home!
- ☑ Promotes *resiliency* and teaches 34 *developmental assets*!

WiseSkills helps after school programs equip young people with the critical character qualities they need to succeed. The program features a **teacher-friendly curricula** that highlights the words and lives of inspiring role models to teach character qualities such as *respect, responsibility, honesty, perseverance, courage, and self-control*:

- *WiseWords* (K-2)
- *WiseQuotes* (3-5)
- *WiseLives* (6-8)
- *Wisdom for Life* (9-12)

WiseSkills also includes *Family Wisdom*, a set of unique reproducible newsletters and activity pages that can be sent home with young people to encourage families to engage in simple character-building activities together. The chart below lists the variety of after-school activities included in the program.

<i>WiseSkills</i> After-School Activities	Group Activities				Family Activities

WiseSkills After-School Implementation Kit

WiseSkills helps after-school organizations focus program-wide on developing good character using brief, interactive activities with young people. While the *WiseWords*, *WiseQuotes*, *WiseLives*, and *Wisdom for Life* curricula provide staff with ready-to-use resources that teach good character, the *After-School Implementation Kit* provides everything needed to effectively facilitate **WiseSkills** throughout an after-school program. The **Kit** includes:

✓ **Administrator's Handbook**

A practical resource full of materials to help administrators and leaders support program staff and sustain the program:

- **Program-Wide Activities**
Suggested large group activities for each monthly *Character Theme* that can be incorporated into existing programs, routines, and gatherings.
- **Implementation Guides**
Step-by-step guidelines for implementing **WiseSkills** and involving families and the community in character-building.
- **Character Toolkit**
A set of convenient reproducible pages that can be used to help young people connect their negative behavior to positive character.
- **Assessments & Evaluations**
Easy-to-use assessments that provide ongoing evaluation of the effectiveness of the program.

✓ **WiseSkills Training Flash Drive**

While designed for schools, this convenient USB storage device contains valuable resources that can help after-school program staff cultivate good character with the young people they work with:

- **Staff Training**
A comprehensive orientation that includes interactive small group activities where staff plan **WiseSkills** activities together.
- **Leadership Team Training**
Practical training that helps administrators and *program leaders* facilitate each of the *Action Steps* so **WiseSkills** can have the maximum impact on young people.
- **Training Handouts**
Reproducible handouts to help staff begin implementing **WiseSkills** with young people.

WiseSkills Community Implementation Kit

The **WiseSkills Community Component** helps schools involve the local community in strengthening positive character in young people. Volunteers are trained to contact individuals, local businesses, and community organizations to organize two powerful activities for schools:

- 1) *Ongoing Guest Career Speakers*
- 2) *Regular Community Service Projects*

Volunteer *Community Coordinators* are trained and provided with the **Community Connections Kit**, which features resources to help them arrange community activities throughout the year. The **Community Implementation Kit** provides everything schools need to involve their community in character-building. The **Community Implementation Kit** includes:

Community Connections Kit

Ready-to-use materials to help volunteers arrange ongoing career speakers and regular community service projects:

- **Letters to Businesses and Community Groups**
Ready-to-go letters to local organizations to invite them to speak at school or sponsor community service projects.
- **Guidelines for Speakers & Service Projects**
Practical guidelines for arranging speakers and service projects.
- **Suggestions for Community Service Projects**
Ideas for service projects with hospitals, city agencies, environmental groups, museums, and much more!
- **Convenient Forms**
Simple forms for organizing and referencing individual contacts for speakers and service projects.

WiseSkills Community Training Flash Drive

This convenient USB storage device includes ready-to-play training presentations in *QuickTime* format and additional resources for schoolwide implementation:

- **Staff & Volunteer Training**
A comprehensive orientation that helps schools and volunteers plan the implementation of the **Community Component**.
- **Leadership Team Training**
Practical training to help the *School Leadership Team* and volunteers facilitate each of the *Action Steps* for implementing the **Community Component**.
- **Training Handouts**
Reproducible handouts to help staff and volunteers begin to implement the **Community Component**.
