

WiseSkills &...

Elementary Schools

WiseSkills is an interdisciplinary character-building program that:

- ✓ Creates a school culture that upholds principles of character
- ✓ Provides teachers with ready-to-go activities
- ✓ Integrates character into subjects without added teacher prep time!
- ✓ Unites schools with schoolwide *Character Themes!*
- ✓ Applies five areas of education research, including *resiliency* and *developmental assets!*

WiseSkills helps elementary schools build a culture of character by modeling, teaching, and reinforcing good character throughout the year. The teacher-friendly **WiseSkills** curricula-- *WiseWords* (K-2) and *WiseQuotes* (3-5)--highlight the words and lives of inspiring world figures and integrate into all subject areas. The chart below lists the elementary activities included in the **WiseSkills** materials for school, family, and community!

WiseSkills Elementary Activities	School			Family	Com- munity

WiseSkills

WiseSkills® Elementary School Implementation Kit

The **WiseSkills** program helps elementary schools **reduce discipline problems**, **increase instructional time**, and **improve school climate**. The **WiseWords** and **WiseQuotes** curricula provides teachers with a variety of resources to teach each monthly **Character Theme** and integrate good character into subject areas. The **Elementary School Implementation Kit** provides everything a school needs to effectively use the program schoolwide:

✓ **Administrator's Handbook**

A practical resource full of materials to help administrators and school leaders implement and sustain the program:

- **Schoolwide Activities**
Suggested schoolwide activities for each *Character Theme* that can be incorporated into existing programs and routines.
- **Implementation Guides**
Step-by-step guidelines for implementing each of the three **WiseSkills** components--*School, Family, and Community*.
- **Character Toolkit**
A set of convenient reproducible pages that help students connect their negative behavior to principles of character.
- **Assessments & Evaluations**
Easy-to-use assessments that provide ongoing evaluation of the effectiveness of the program.

✓ **WiseSkills Training Flash Drive**

This convenient USB storage device includes ready-to-play training presentations in **QuickTime** format and additional resources for schoolwide implementation:

- **Staff Training**
A comprehensive orientation that includes interactive small group activities where teachers plan **WiseSkills** activities together.
- **Leadership Team Training**
Practical training that helps the *School Leadership Team* facilitate each of the *Action Steps* for effective **WiseSkills** implementation.
- **Training Handouts**
Reproducible handouts to help staff begin implementing **WiseSkills** with students.

WiseSkills Family Component

The **WiseSkills Family Component** is a simple and exciting way to support families in developing good character in their children. **Family Wisdom--Elementary School** and **Family Wisdom--Middle School** contain reproducible newsletters and activity pages that engage families in interactive home activities that teach and reinforce positive principles of character. The **Family Wisdom Implementation Kit** provides practical resources that involve all families in character-building:

Administrator's Handbook

Resources for using **Family Wisdom** effectively:

- **Implementation Guide**
Step-by-step guidelines for implementing the **Family Component**
- **Elementary Kick-Off! Activity**
Suggested activities for an exciting launch event that orients families to **WiseSkills** and the **Family Wisdom** materials.
- **Extra Newsletters**
Two **Family Wisdom** newsletters that invite parents to teach special classes and engage families in discussions.
- **Additional Family Activities**
Over 50 additional ideas for helping families develop good character at home and involving families at school.

Permanent Site License

This **License** provides permanent duplication rights for all of the materials in **Family Wisdom** for up to 1500 families.

WiseSkills Training Flash Drive

This convenient USB storage device contains valuable resources for equipping staff to help families develop character in their children:

- **Staff Training**
A comprehensive video orientation that helps schools or organizations plan the effective implementation of the **Family Component**.
- **Leadership Team Training**
Practical training to help the **Leadership Team** implement each of the **Family Component Action Steps**.
- **Training Notes/Script**
Convenient script that can be read aloud or used for reference during the trainings.
